**Announcements:**

Contact Chestnut for Free Narcan: email [NARCAN@chestnut.org](mailto:NARCAN@chestnut.org) or 618-512-1781 and training via Zoom.

Partnership elections are coming. Elections June 2025.

Drug take back is this weekend.

Chestnut Health Systems is writing a Drug Free Communities grant through SAMHSA on behalf of the coalition, youth focused. If funded, it would provide \$125,000 per year for 5 years, with a possible renewal for an additional 5 years. The grant year would start on September 30, 2025. The service area has yet to be determined.

**Guest Speaker:**

*The WARM Grant* - Jordan Reifschneider -Recovery Support Outreach, Chestnut Health Systems  
WARM aims to provide peer support recovery services through a warm handoff model, specifically supporting individuals with substance misuse who are transitioning into housing after being discharged from jail, hospital, or inpatient treatment.

**General Business:** (Mentioned in announcements)

Drug trends-decrease in overdose at the hospital. Increase in reported Kratom use.

Gas stations selling products that are hard to identify/being sold with THC and other products.

**Workgroup updates:**

Strategic Planning Workgroup- Chestnut is writing a grant for partnership.

Justice Workgroup- survey created for law enforcement to identify barriers, will utilize data feedback to determine where to focus efforts.

Drug Endangered Children- no updates

Education & Prevention- no updates

**Next Meeting:** Virtual May 27<sup>th</sup> 10-11 am
